

Penrose Academy COVID-19 Important Update

Due to ongoing uncertainty presented by COVID-19, Penrose Academy will continue to keep our campus, including our Student Salon, Spa and Medical Spa, closed until further notice.

Our reopening date is, at this time, unknown.

Currently enrolled students will continue their education online.

Upcoming class start dates have also been affected by our campus closure. Please contact our admissions department at admissions@penrose.edu for more information.

In the meantime please continue to exercise preventative safety and wellness practices.

Wash your hands, stay at home, practice social distancing and take care of yourself.

We miss seeing all of you and are looking forward to the day when we can all be together, in person, again.
