COPYRIGHT INFRINGEMENT

Internet access is an important tool in the academic activity at Penrose Academy. WIFI is supplied to all staff, faculty and guests to enhance the learning experience. This benefit comes with great responsibility and risk. While accessing Penrose Academy's WIFI, all copyright laws governing music, movies, games and software over the internet must be adhered to and an individual must have the consent of the copyright holder to make copies. Unauthorized distribution of copyrighted material, including unauthorized peer-to-peer file sharing, may subject a student to civil and criminal liabilities.

Anyone who exploits any of the exclusive rights of copyright without the copyright owner's permission commits copyright infringement. If a lawsuit is brought in a court, the infringer will have to pay the copyright owner any amount of money made from using the work or any amount of money that the rightful owner would have made if the infringement had not happened.

If the copyright is registered with the U.S. Copyright Office, the infringer may also have to pay the copyright owner statutory damages, which is an amount set by the judge. In most cases this amount will usually be higher. In addition, an infringer may be found guilty on criminal charges and must pay criminal penalties.

If Penrose Academy receives an allegation of copyright infringement based on use of the school's computers or IP address by a student, the Director of Education will perform an investigation. If the investigation results with finding the student responsible, the student will be subject to disciplinary action including loss of network access, suspension or termination from school. Consequences of copyright infringement also include civil liability and criminal prosecution. A summary of the penalties may be found at <https://www.copyright.gov/title17/92chap5.html>

Any discrepancies or questionable documentation will be reviewed by a High School Completion Review Committee that includes the Financial Aid Department. Payments are due on the first of each month. If the payment is not received by 5:00pm on the 1st of the month, the student will incur a late fee of \$50 starting at 9:01pm on the 1st of the month as well as \$50 per day for every day thereafter.

PROCESSING FEE

All Students paying tuition with a credit card, debit card, and PayPal payments are subject to credit card processing fees.

PROGRAM REQUIREMENTS

Penrose Academy is required to collect personal data for verification of student identity. All costs associated with providing this data (diploma, certification, licensure, etc.) is the responsibility of the enrolling student.

REQUESTING ADDITIONAL PROGRAM HOURS

Any student requesting to attend additional hours beyond the completion and graduation of the enrolled program in order to fulfill additional hours for another state's licensure may do so with the President's approval. If the student is maintaining Satisfactory Academic Progress at the time of completion of the program, that student will be charged a fee of \$15 per hour in addition to the regular fees for all programs.

TRANSFER BETWEEN PROGRAMS

If a student requests to transfer between programs at Penrose Academy, the student must complete a Transfer Request Form and submit it along with the \$500 administrative fee to the Financial Aid department for a review of refund calculations. After Financial Aid has finished the review and calculations the transfer request will be submitted to the Student Services and Education department for review of scheduling/program availability. The review period for a transfer request may take up to 30 business days for determination. Upon approval, the student must withdraw from the currently enrolled program, where the refund policy will be applied as described in the Student Catalog and Enrollment Agreement. The student must then enroll in the new program and will incur all costs, fees and student kit costs as described in the Student Catalog except for the application fee. Financial Aid will be affected and could cause a possible delay. Due to the nature of each program's curriculum delivery in sequential order and content, clock hours and academic courses may not transfer from one program to another.

The Hair Hybrid program is not eligible to transfer to the Cosmetology Hybrid program. Students in the Hair Hybrid program may enroll in the cosmetology Hybrid program after the completion of the Hair Hybrid program. Students must complete a Cosmetology Hybrid Continuation Request Form and submit it along with the \$500 administrative fee to the Financial Aid department for a review of tuition calculations and kits fees. After Financial Aid has finished the review and calculations the transfer request will be submitted to the Student Services and Education department for review of scheduling and program availability. The review period for a Cosmetology Hybrid Continuation may take up to 30 business days for determination.

TRANSFER TO DIFFERENT SCHEDULE

If a student requests to transfer to a different schedule at Penrose Academy, the student must complete a Transfer to Different Schedule Request Form and submit it along with the \$100 administrative fee to the Student Services department for a review of scheduling and program availability. The review period for a transfer request may take up to 30 business days for determination.

RECRUITING ACTIVITIES

Penrose Academy ensures that recruiting activities are ethical and materials used in recruiting accurately describe our mission, instructional outcomes, student performance expectations and completion requirements of our programs. Penrose Academy aspires to educate and conduct business to the highest ethical standard and all employees have signed our Code of Ethical Conduct acknowledging to abide by and adhere to these standards.

SCHOLARSHIPS

Penrose Academy may offer in house scholarships based on criteria decided by the President. Any student who withdraws or is terminated prior to completion of the full program hours will forfeit the scholarship. In addition, the amount of the scholarship will become due in full, including any monies as calculated and due from the Institutional Refund policy and Return to Title IV applied to the student's ledger per all withdrawals or termination. For more information on current scholarships, please visit www.penrose.edu.

ADDITIONAL FINANCIAL BENEFITS

Penrose Academy welcomes students eligible for receiving WIOA and Tribal benefits. Students using WIOA or Tribal benefits must complete all enrollment procedures as previously listed in the Admissions section.

FINANCIAL AID

Penrose Academy does not endorse or recommend any one lender for financial assistance and will work with whichever lender a student chooses. Financial Aid is available to those who qualify. Qualified individuals who choose to accept any financial aid offers are responsible to repay any loans, private or Title IV, regardless of whether the student is successful in completing the program and obtaining employment.

Financial Aid student eligibility criteria and general information can be found at www.studentaid.gov. All Title IV funds are awarded based on each student's individual eligibility. A student's eligibility will be determined by filing a Free Application for Federal Student Aid (FAFSA). The application can be found online at www.studentaid.gov. The student must be fully enrolled at Penrose Academy before any Title IV aid will be disbursed on the student's behalf. All information regarding student loans and Parent PLUS loans will be submitted to the National Student Loan Data System (NSLDS) and will be accessible by guaranty agencies, lenders and institutions determined to be authorized users of the data system.

Once a valid FAFSA has been received on campus, the student's eligibility will be presented to the student. At this time, a financial aid representative will contact the student to inform them of their eligibility, terms and conditions of the student loan(s) as well as the student's right to decline any aid.

Private education loans are also available to students. Penrose Academy does not have a preferred lender list and encourages students and parents to obtain funding from any institution that offers the best terms and conditions and to always compare terms with Title IV funds.

If the student has Title IV loans in repayment, they may defer repayment on the loans while enrolled full time at Penrose Academy. For assistance in deferring student loans, please contact the Financial Aid Department at 408.222.9540 or by email at financialaid@penrose.edu.

All students maintain the right to reject any financial aid or other assistance. A Financial Aid representative is available for questions and assistance including information on terms of any loan received by a student as part of the financial assistance package, sample loan repayment schedules for sample loans and the necessity for repaying loans at Penrose Academy, 480.222.9540 or by email at financialaid@penrose.edu. Please refer to our website www.penrose.edu for more information on graduation rates, placement rates, median student loan debt and other consumer information required by the U.S. Department of Education.

Penrose Academy uses a local average for the cost of attendance expenses through a student survey. Budgets are calculated

by multiplying the advertised completion time of each program by the monthly figure for each budget component. Please contact the Financial Aid Department for further information. The budgeting figures for the 2020-2021 Award Year are as follows:

| Living with Parents/No Dependents | | All Others | |
|-----------------------------------|-----------------|------------------------|-------------------|
| Room and Board | \$646 per month | Room and Board | \$2,470 per month |
| Transportation | \$350 per month | Transportation | \$354 per month |
| Personal/Miscellaneous | \$284 per month | Personal/Miscellaneous | \$341 per month |

LOAN COUNSELING

Students choosing to participate in Federal Financial Aid will be contacted to communicate the student's estimated total award, make decisions on all loans, and, if accepting loans, to schedule a loan counseling session with a Financial Aid representative. The student is also required to complete the U.S. Department of Education online entrance counseling session and sign a Master Promissory Note (MPN) at <https://studentloans.gov>.

Loan Entrance Counseling will review information such as the Financial Aid Award Letter, Title IV Authorization Form and the Master Promissory Note (MPN). Students choosing to participate in Federal Financial Aid must complete the online Entrance Loan Counseling prior to any funds being disbursed.

The table below outlines the disbursement schedule of each program:

| PROGRAM | 1 | 301 | 451 | 901 | 1201 |
|--------------------|---|-----|-----|-----|------|
| Cosmetology Hybrid | ✓ | | ✓ | ✓ | ✓ |
| Hair Hybrid | ✓ | | ✓ | ✓ | |
| Esthetics | ✓ | ✓ | | | |

Any student borrowing funds for the first time will experience a delay of Direct Loan disbursement for 30 days.

Upon completion, withdrawal or termination of a program, a student who has received student loans must complete an exit interview with the Financial Aid representative. Additionally, online Exit Counseling must be completed at www.studentaid.gov before the student will be considered having met all graduation requirements and is mandatory prior to releasing the student's hours to the AZBCB.

MAINTAINING FINANCIAL AID ELIGIBILITY

Students must maintain a 95% attendance and an 80% GPA in order to be considered making Satisfactory Academic Progress (SAP) in a program for the purpose of receiving financial assistance. Please refer to the Satisfactory Academic Progress (SAP) section in this catalog for more information.

STUDENT'S RIGHT TO CANCEL

This agreement and the student's enrollment can be terminated only by written notice from one party to the other. Said notice or cancellation, if by student, must be in writing and shall be emailed, mailed, or delivered to Penrose Academy's Student Services Department or President in person. If Penrose Academy is terminating the student, all documentation will be done onsite unless the student does not return to school, which will then result in Penrose Academy mailing all documentation. Said cancellation is effective upon postmark of the notice or date notification is delivered in person. The refund policy is outlined below. If a student does not notify Penrose Academy that he/she is withdrawing, formal termination shall be based on the 14th consecutive calendar day of no communication and/or staff determination. Refund/Amount Due policy and Return to Title IV will be based on the last day of attendance per each policy.

REFUND/AMOUNT DUE POLICY

All refunds are calculated as of the student's last date of attendance. If the student withdraws, he/she shall be fully responsible for all amounts defined below. Any monies to be returned to the student shall be refunded within 45 days of written cancellation or withdrawal notice by the student, from the date we terminate the student or determine withdrawal by the student, regardless of notice received from the student. If amount due is owed to Penrose Academy by the student, the student has 60 days to make the payment or commit to a payment plan if approved by President.

If written notice of withdrawal is received by Penrose Academy on the day of the start of coursework or prior, Penrose Academy will retain or require only the nonrefundable application fee of \$100, unless class is canceled by administration after enrollment, then all monies will be refunded within 45 days of the start date.

Upon commencement of scheduled hours there is no refund for kit items and books received by the student.

The following table outlines the refund amounts by percentages, not to include the non-refundable application fee as described above, student kit fee and where applicable administrative fees, if a student withdraws or is terminated after the first day of coursework and upon commencement of scheduled hours. "Scheduled Hour(s)" means the hours defined by Penrose Academy course calendar, regardless of whether a student was in attendance.

| Percentage of Total Scheduled Hours to Program Length | Total Actual Hours Scheduled | | | | Percentage of Tuition Owed to Penrose Academy | Percentage of Tuition Penrose Academy Will Refund |
|---|------------------------------|--------------------|-----------------|------------|---|---|
| | Cos Hybrid (1500) | Hair Hybrid (1000) | Esthetics (600) | Laser (88) | | |
| Up to 10% | 1-149 | 1-99 | 1-59 | 1-7 | 10% | 90% |

| | | | | | | |
|--------------------------------|----------|----------|---------|-------|------|-----|
| After 10% until the end of 25% | 150-374 | 100-249 | 60-149 | 8-21 | 50% | 50% |
| After 25% until the end of 50% | 375-749 | 250-499 | 150-299 | 22-43 | 75% | 25% |
| After 50% | 750-1500 | 500-1000 | 300-600 | 44-88 | 100% | 0% |

REFUND TIME FRAME

Any amounts to be refunded to the student shall be paid within 45 days of Penrose Academy receiving written notification of withdrawal or termination. If amount due is owed to Penrose Academy by the student, the student has 60 days to make the payment or risk their account going to collections.

RETURN OF TITLE IV FUNDS (R2T4)

As stated in the Refund/Amount Due Policy, any student who has not visited the school prior to enrollment may withdraw without penalty within three days of attending orientation or visiting the school. If student withdraws or has enrollment terminated, the following policy is set forth for all Title IV funds:

Federal Financial Aid is awarded to student contingent upon the student attending classes and successfully completing the entire payment period. If the student fails to complete the payment period successfully, the student may be responsible for repaying part or all of the Federal Financial Aid. The Financial Aid office is required by federal regulations to recalculate federal financial aid eligibility for students who withdraw, drop out, are terminated (voluntary or involuntary) or take a leave of absence (extreme crisis; only upon approval by President) prior to completing 60% of a payment period.

Earned Title IV Funds are federal Title IV funds used to cover education costs according to the length of time the student was enrolled before withdrawing. The amount of funds earned is directly proportional to the time enrolled, through 60% of a payment period; the financial aid office recalculates eligibility for Title IV funds. Recalculation is based on the percentage of earned aid using the following Federal Return of Title IV funds formula:

Percentage of payment period completed the number of clock hours the student was scheduled to complete in the period as of the day the student withdrew divided by the total clock hours in the payment period. This percentage is also the percentage of earned aid. If a student earned less aid than was disbursed, Penrose Academy would be required to return a portion of the funds and the student would be required to return a portion of the funds. Keep in mind that when Title IV funds are returned, the student borrower may owe a balance to Penrose Academy. If a student earned more aid than was disbursed to him/her, Penrose Academy would owe the student a post-withdrawal disbursement which must be paid within 180 days of the student's withdrawal. Penrose Academy must return the amount of Title IV funds for which is responsible no later than 45 days after the date of the determination of the student's withdrawal.

Refunds are allocated in the following order:

1. Unsubsidized Direct Stafford Loans (other than PLUS loans)
2. Subsidized Direct Stafford Loans
3. Direct PLUS Loans
4. Federal Pell Grants for which a return of funds is required

WITHDRAWAL/TERMINATION

Students who withdraw from any program are required to empty the assigned locker and gather all personal items. Any items left behind by the student will be stored for 30 days, at which time the items become the property of Penrose Academy. Students wishing to transfer to another institution must pay all monies owed to Penrose Academy and all applicable academic requirements must be met for the hours to be released. Upon withdrawal or termination, access to the online learning portal will be disabled.

RE-ENROLLMENT

In the case of the following situations, students may pay a re-entry fee of \$500, in addition to any over contract costs on the contracted graduation date and/or change in tuition costs:

- a. Student was terminated from a program for not meeting SAP and allowed re-entry through the formal appeal process, submitting a written appeal to the Director of Student Services within 30 days of termination. An appeal submitted after 30 days of termination, will not be accepted and the student will be ineligible for re-enrollment.
- b. Student withdrew from a program meeting Satisfactory Academic Progress and decided to re-enroll in the same program within a 12-month period or approved by the Director of Student Services. In extreme cases, the President reserves the right to waive re-enrollment fee.
- c. Re-enrollment after 12 months or after any curriculum changes could require complete re-enrollment at Hour 1/Zone 1 and purchase of new kit with approval of Director of Education.
- d. A technical evaluation by the Director of Education may be required for re-entry.
- e. Requests for re-enrollment must be made three months prior to the desired start date.
Re-entry is allowed after withdrawal based on full payment of prior balance owed to Penrose Academy, provided there is availability in a future class start date. Extenuating circumstances will be reviewed by the President on a case-by-case basis.

REQUIREMENTS FOR AN APPEAL LETTER

- Heading: Include your contact information and the date.
- Addressed: Address it to the relevant person or department.
- Introduction: State the purpose of the letter and mention the decision you're appealing.
- Reason for Appeal: Explain why you believe the decision was incorrect, with supporting evidence.
- Supporting Documents: Attach relevant documents.
- Proposed Resolution: Describe what you hope to achieve through the appeal.

- Signature: Sign it by hand or digitally.
- Contact Information: Ensure your contact details are accurate.

COLLECTIONS POLICY

If a student or guarantor has a balance owed to Penrose Academy at the time of withdrawal/graduation, payment must be made within 60 days of withdrawal. If payment plans are necessary, the maximum term is 60 months.

Any unpaid accounts aged 60 days will be referred to a collection agency for resolution. Should Penrose Academy incur collection costs or legal fees under this agreement, the student/guarantor promises to be responsible for charges incurred, to pay all additional costs, charges, collection fees and expenses, including reasonable attorney's fees and costs.

OVER CONTRACT CHARGES

Students who attend past the scheduled hours must pay the remaining hourly fee as listed below (please note that the contracted graduation date will differ from the date of the graduation ceremony). Any hours missed throughout the program may place the student in over contract and the student would incur charges below. While documentation does not reduce over contract fees, students with extreme documented medical conditions may have the over contract charges reviewed by the President. Students with documented mental and/or physical disabilities will be eligible for a review of charges as they relate to the disability.

All over contract charges can be paid in full on the student's last day. If a student is unable to pay over-contract charges in full on their last day of attendance, they will have 60 days to set up a payment plan using ACH or credit card.

During their graduation checkout with student services, students will receive an invoice of their fees due and will sign a document acknowledging their balance and detailing the options and steps to set up a payment plan. If no payments are made or no payment plan is set up, the charges will be sent to collections in 60 days.

Penrose Academy offers opportunities for students to makeup hours throughout enrollment in a program. Bonus hours may be offered throughout the week outside of student scheduled hours. Students must check the Penrose app for bonus hour opportunities. Refer to the Bonus Hours and Minimizing Over Contract Fees section for more information. For students with accommodations and/or failed SAP checkpoints (on attendance probation), individual arrangements will be made.

OVER CONTRACT CHARGES AND GRACE PERIODS (FREE OF CHARGE)

Students must complete the required number of hours to graduate. If a student has missed any scheduled hours due to an absence, the student must continue attending school after the contract graduation date and accrue hours 'over contract' to compensate for any hours missed, until a student has clocked the number of hours required for completion of the enrolled program. Students needing to attend school after the contract graduation date to complete required hours will adhere to the following over contract guidelines:

| Enrolled Program | Total Over Contract Hours Charged \$0.00 per hour (free of charge) | Total Over Contract Hours Charged \$15.00 Per Hour |
|--------------------|---|---|
| Cosmetology Hybrid | 1-60 | 61+ |
| Hair Hybrid | 1-45 | 46+ |
| Esthetics | 1-30 | 31+ |
| Laser* | 1-8 | 9+ |

*Laser students experiencing extreme medical conditions must have over-contract hours approved by the President.

EXCUSED ABSENCES

An excused absence will be granted when a student is on an educational trip such as Study in the States and Study Abroad. Excused absences may also be granted when a student is absent from school for a circumstance identified as legitimate, valid and/or reasonable by the President and/or Director of Education, such as a death in the immediate family or mandatory military leave.

BONUS HOURS AND MINIMIZING OVER CONTRACT FEES

Penrose Academy offers opportunities for students to makeup hours throughout enrollment in a program. Bonus hours may be offered throughout the week outside of student scheduled hours. Students must check the Penrose app for bonus hour opportunities. Students may only participate in these bonus hours if attendance is under 100% and may not use bonus hours as an opportunity to fast track through the program. Penrose Academy's Education Department will oversee curriculum during these hours. Bonus hours are a privilege and if a student breaks any policies, the student may lose the opportunity to participate. For students with accommodations and/or failed SAP checkpoints (on attendance probation), individual arrangements will be made.

SATISFACTORY ACADEMIC PROGRESS (SAP)

Satisfactory Academic Progress (SAP) in academic work and attendance is a requirement for all Penrose Academy students. SAP helps ensure students are moving toward successful completion of the program in a timely manner or risk losing Financial Aid eligibility, incur fees or loss of enrollment.

Satisfactory Academic Progress includes maintaining an 80% Cumulative GPA and a 95% attendance. Penrose Academy will round up percentages to the nearest hundredth, for example, a student with an attendance of 94.5 or above will be rounded up to 95% attendance.

Penrose Academy determines SAP by monitoring students throughout enrollment and completing a formal evaluation at an "evaluation checkpoint." Evaluation checkpoints for enrolled students receiving Financial Aid are scheduled at the end of the first payment period for Esthetics programs; at the end of the first and second payment periods for students enrolled in the Hair Hybrid Program; and at the end of the first, second and third payment periods for students enrolled in the Cosmetology Hybrid Program, using a 900-hour academic year for the purposes of Title IV.

EVALUATION CHECKPOINTS

| PROGRAM | 1 | 301 | 451 | 901 | 1201 |
|--------------------|---|-----|-----|-----|------|
| Cosmetology Hybrid | ✓ | | ✓ | ✓ | ✓ |
| Hair Hybrid | ✓ | | ✓ | ✓ | |
| Esthetics | ✓ | ✓ | | | |

MAXIMUM TIMEFRAME AND SATISFACTORY ACADEMIC PROGRESS (SAP)

This policy applies to **all students**, whether they are receiving **Title IV financial aid** or funding their education through other means, including private loans, personal savings, or other non-Title IV funding sources. All students are required to meet both **attendance** and **academic performance** standards to continue in their program.

Maximum Timeframe for Program Completion

Students must complete their program within **150% of the published length** of the program. For example:

- A **600-hour** program must be completed within **900 hours**.
- A **1000-hour** program must be completed within **1500 hours**.
- A **1500-hour** program must be completed within **2250 hours**.
- A **88-hour** program must be completed within **132 hours**.

If a student cannot complete their program within this maximum timeframe, they will lose eligibility for **Title IV financial aid** (for Title IV students) and will be ineligible to continue in the program (for non-Title IV students).

Eligibility for Financial Aid

Students who meet both **attendance** and **academic** expectations at each evaluation checkpoint will be considered to be making **Satisfactory Academic Progress (SAP)**. As long as they meet these requirements and qualify based on their financial aid eligibility, they will continue to receive **Title IV financial aid disbursements**.

Failure to Meet SAP

If a student fails to meet either the attendance or academic progress requirements at an evaluation checkpoint, they will be ineligible for **Title IV financial aid** (for Title IV students) or may face termination from the program (for non-Title IV students). Students will receive written notification or be notified via the **Penrose app** by the **Student Services** department.

Warning and Probation Status

Students who fail to meet SAP may be placed on **Warning** or **Probation** (pending a successful appeal). If the issue is not resolved after this status, **financial aid will be terminated**.

Students in **Cosmetology Hybrid**, **Hair Hybrid**, **Laser**, and **Esthetics** programs must complete their programs within **150% of the published length**. Extensions beyond this timeframe are not permitted under this policy.

Medical Documentation for SAP Attendance (Probation Only)

For students who are on **Probation** and have been approved to remain enrolled under a **Corrective Action Plan**, medical documentation may be used to **excuse absences** due to **medical emergencies**. This is essential to ensure that a student's attendance percentage does not fall below the required standard. If a student on probation misses school due to a medical emergency, the documentation must be provided immediately upon return to ensure they are not terminated for falling below the required attendance percentage.

Important: Students who are **not** on probation will not be excused for medical absences and must maintain the required attendance as per the normal SAP guidelines.

Medical Documentation Requirements

Students on probation must submit **medical documentation** to **Student Services** promptly upon their return. This documentation will be reviewed and considered to ensure the student does not face termination due to attendance issues arising from medical reasons.

Medical documentation presented after the student has reached an **SAP checkpoint** will not be applied.

WARNING

If a student fails to meet **Satisfactory Academic Progress (SAP)** at an evaluation checkpoint, they will receive a written warning notification from the **Student Services** department, putting them at risk of enrollment termination.

Penrose Academy may consider it reasonable to believe that the student can meet SAP at the next evaluation checkpoint and, therefore, assigns a "**Warning**" status. Students under a "Warning" remain eligible for **Title IV Financial Aid**. However, at the next evaluation checkpoint, the student is expected to meet SAP. Failure to do so will result in a notification of **enrollment termination**.

A student who has previously received a warning notification and fails to re-establish satisfactory status will face **termination** at the second SAP checkpoint.

PROBATION

Students failing to meet **Satisfactory Academic Progress (SAP)** for two consecutive checkpoints will receive a notice of failed SAP and be placed on **suspension**. During this period, they may not return to their program until the appeal process is completed. The student will be informed of the appeal process, as explained below.

Upon approval of the appeal, the student will be placed on "**Probation**" and allowed to receive **Title IV Financial Aid** if the plan for improving SAP is followed within a specified time frame. **Valid medical documentation** may be used to excuse absences during the probation period.

RE-ESTABLISHING SATISFACTORY ACADEMIC PROGRESS (SAP)

If a student has been placed on probation and is meeting the minimum requirements for both academics and attendance at the end of the probationary period, by making up missed hours and failed tests, the student may re-establish Satisfactory Academic Progress and eligibility of Title IV Funding.

SAP APPEAL PROCESS

If a student fails to meet SAP, they can appeal for reconsideration and be placed on "Probation," allowing them to resume enrollment and receive Title IV Financial Aid.

1. Student is placed on suspension.
2. Student files an appeal within 3 business days.
3. The Director of Student Services notifies the student of the appeal date and time.
4. The "Board of Grievances," appointed by the Director of Student Services and consisting of staff members, reviews the written appeal. They may request an in-person interview with the student. A determination is made and provided to the student in writing within 10 business days with the following outcomes:
 - If the SAP appeal is granted, the student is placed on "Probation" and provided a Corrective Action Plan (CAP). The CAP outlines specific actions and deadlines for the student to maintain Financial Aid eligibility and enrollment, progressing toward successful program completion. The CAP may extend beyond one evaluation checkpoint, and the student is eligible to receive Title IV Financial Aid while following it.
 - If the appeal is denied, the student is terminated, and if applicable, Title IV Financial Aid is not reinstated, with the student being notified.
 - If the student fails to maintain the CAP by the next evaluation checkpoint, termination occurs, and if applicable, Title IV Financial Aid eligibility is lost.

ACADEMIC WORK

Students engage in theory and practical assignments, special projects and hands-on learning. Theory is evaluated by written exams following each unit of study. Practical assignments are evaluated throughout the program and prior to performing services in the Student Salon, Student Spa and Student MedSpa. Practical skills are evaluated according to textbooks and educator guidelines provided in each practical and any potential performance standards established by the AZBCB and ADHS. Students must maintain a cumulative grade point average of 80% or higher to be considered maintaining Satisfactory Academic Progress. Academics are monitored monthly by Penrose Academy staff/faculty. Student's progress through the programs in zones: The Cosmetology Hybrid program is organized into six zones, the Hair Hybrid program has four zones on the four-day schedule and five zones on the two-day schedule, the Esthetics four-day program is organized into four zones, the Esthetics two-day and night programs are organized into three zones and the Laser program has two zones. All students are required to pass a final written and practical exam prior to graduation.

GRADING SCALE

| A | B | C | D | F |
|--------|-------|-------|-------|--------------|
| 95-100 | 90-94 | 86-89 | 80-85 | 79 and below |

Penrose Academy allows one exam re-take if the score received is below 80%. However, the maximum grade a student may receive on the re-taken exam is an 80%. A student may appeal a grade given through the appeal process as described in this Student Catalog. Additionally, all retakes or makeup exams must be scheduled by the classroom educator and taken within the same academic zone as the exam was scheduled.

ACADEMIC AUDITS

Student progress is audited on occasion and without notice by the Director of Education. Hours attended, and exams/tests taken are two criteria used to determine if a student may move into the next zone of study. If a student has failed a course or zone, that student may be required to re-take the zone with a passing grade as determined by the Director of Education. Additional audits may be added throughout the program and without notice.

GRADUATION REQUIREMENTS

Penrose Academy has set forth the following requirements for completion of a program and does not guarantee licensure in any state. Satisfying the AZBCB requirements, including:

1. Completing contracted amount of program hours
2. Maintaining an 80% or higher academic grade point average throughout the program
3. Maintaining a 95% or higher attendance average throughout the program
4. Follow all rules and regulations of the AZBCB and Penrose Academy
5. Successful completion of a Final Exam
6. Complete Exit Counseling for all federal loan recipients

After these requirements have been met, Penrose Academy will present the student a Penrose Academy diploma. In the state of Arizona, to practice cosmetology, hairstyling or esthetics services on the public, one must take and pass the Arizona State Licensure Exam, administered by the AZBCB and receive a license to practice learned skills on the public. To practice cosmetic laser treatments on the public upon successful completion of a laser technician program, one must submit an application to,

and receive a current certificate from, the ADHS.

DISTANCE EDUCATION

Distance Education is defined as learning that students will complete online and off campus. Students will log on to the Penrose Academy online learning platform. They will be assigned theory chapters or sub-chapters to complete as assigned by the classroom educator.

Students are scheduled two to nine and a half hours a week for distance education depending on enrolled program. These hours are calculated towards the student's contract date. All hours must be completed by logging into the online platform for the student to graduate by the student's contract date.

Students are not permitted to work on these assignments during school hours, unless during scheduled check-ins with zone educators or administrative staff for academic counseling, which is highly encouraged. The zone educator or a member of Penrose Academy's Education Department will interact, and monitor student's progression and completion and the Director of Education and Student Services department will monitor all student activity using the online platform.

To receive the full amount of the scheduled hours weekly for each specific assignment, the student must log the actual hours in the platform by the assignment due date. Upon completion of distance education assignments, the hours recorded using the online learning platform will be entered in the student software program and submitted to the AZBCB.

The student registered and enrolled in the Distance Education program must be the same student participating and completing the academic work to receive the academic credit and hours. Only the exact amount of time spent learning on the Penrose Academy Online Platform will be submitted, not to exceed the scheduled hours weekly.

STUDENT SERVICES

Students are routinely advised on attendance and academic issues. Penrose Academy Student Services department makes reasonable effort to maintain close communication with all students and monitors student progress throughout their programs as well as after graduation. Students have access to faculty and administrative staff for both career and academic advising.

Student Services staff members are available to help students with test retakes, academic accommodations, Satisfactory Academic Progress (SAP), attendance, academic counseling and job placement during office hours. Penrose Academy's policies and procedures are available digitally and printed upon request to Student Services. Students experiencing personal problems that require professional help will be referred to the appropriate agency(s) or organization(s).

SECTION FOUR: VETERAN'S EDUCATION BENEFITS

Penrose Academy is qualified to accept Veterans Education Benefits for those who qualify (Esthetics and Laser programs only). Veterans and dependents of veterans will need to contact VA to apply for and determine benefit coverage. The website to apply/inquire is <http://va.benefits.vba.va.gov/vonapp/main.asp>.

Academy will review all submissions and grant credit as deemed appropriate; Academy is not approved for Yellow Ribbon benefits.

TITLE 38 us Code 3679

In accordance with Title 38 US Code 3679 subsection (e), (Ch. 31 and Ch. 33) Penrose Academy will not prevent a student's enrollment, assess a late penalty fee, require a student to secure alternative funding, or deny a student access to any educational resources available to other students who have satisfied their tuition and other fees, upon any pending payments from the VA.

PENROSE ACADEMY REFUND POLICY FOR VETERAN BENEFITS

If written notice of withdrawal is received by Penrose Academy on the day of the start of coursework or prior, Penrose Academy will retain or require only the nonrefundable application fee of \$100. Upon commencement of Scheduled Hours there is no refund for kit items and books received by the student.

The table below outlines the refund amounts by percentages, if a student withdraws or is terminated after the first day of coursework and upon commencement of scheduled hours.

ACADEMIC WORK FOR STUDENTS RECEIVING VETERANS EDUCATION BENEFITS

Students engage in theory and practical assignments, special projects and hands-on learning. Theory is evaluated by written exams following each unit of study. Practical assignments are evaluated throughout the program and prior to performing services in the Student Spa and Student MedSpa. Practical skills are evaluated according to textbooks and educator guidelines provided in each practical and any potential performance standards established by the AZBCB and ADHS. Students must maintain a cumulative grade point average of 80% or higher to be considered maintaining Satisfactory Academic Progress. Academics are monitored monthly by Penrose Academy staff/faculty. Student's progress through the programs in zones: Esthetics will go through Zones 1-4 and Laser will go through Zones 1-2. All students are required to pass a final written and practical exam prior to graduation.

GRADING SCALE FOR STUDENTS RECEIVING VETERANS EDUCATION BENEFITS

| A | B | C | D | F |
|--------|-------|-------|-------|--------------|
| 95-100 | 90-94 | 86-89 | 80-85 | 79 and below |

Penrose Academy allows one exam re-take if the score received is below 80%. However, the maximum grade a student may receive on the re-taken exam is an 80%. A student may appeal a grade given through the appeal process as described in this Student Catalog. Additionally, all retakes or makeup exams must be scheduled by the classroom educator and taken within the same academic zone as the exam was scheduled.

SATISFACTORY ACADEMIC PROGRESS FOR STUDENTS RECEIVING VETERANS EDUCATION BENEFITS

Satisfactory Academic Progress (SAP) in academic work and attendance is a requirement for all Penrose Academy students. SAP helps ensure students are moving toward successful completion of the program in a timely manner or risk losing Veterans Education Benefits eligibility, incur fees or loss of enrollment.

Satisfactory Academic Progress includes maintaining an 80% Cumulative GPA and a 95% in Attendance. Penrose Academy will round up percentages to the nearest hundredth. For example, if a student with an attendance of 94.5% the percentage will be rounded up to a 95% attendance.

Penrose Academy determines Satisfactory Academic Progress by monitoring students throughout enrollment and completing a formal evaluation at an "evaluation checkpoint." Students meeting all expectations and requirements at the time of evaluation checkpoint, both attendance and academics, will be considered making Satisfactory Academic Progress and are eligible to receive veteran's education benefits disbursements.

EVALUATION CHECKPOINTS FOR STUDENTS RECEIVING VETERANS EDUCATION BENEFITS

| PROGRAM | 30 | 60 | 300 | 450 |
|-----------|----|----|-----|-----|
| Esthetics | | | ✓ | ✓ |
| Laser | ✓ | ✓ | | |

Students who meet all expectations and requirements at the time of the evaluation checkpoint, including both attendance and academics, will be considered as making Satisfactory Academic Progress (SAP) and are eligible to receive veteran's education benefit disbursements if they qualify.

Failure to meet SAP will lead to enrollment termination, rendering the student ineligible for veteran's education benefits unless an appeal is approved. Students failing to meet attendance and/or academic progress requirements at an evaluation checkpoint will receive written notification or be notified through the Penrose app by the Student Services department.

A student may be placed on "Warning" or "Probation" (pending a successful appeal process) or have veteran's education benefit eligibility terminated. Students in Esthetics and Laser programs are expected to complete within a 150% timeframe unless otherwise approved by the President.

If a student can provide medical documentation such as proof of a doctor's appointment, proof of surgery, or proof of hospitalization to account for hours missed from the program, these hours will not count against the student when calculating SAP attendance checkpoints. All documentation should be submitted to Student Services upon return to school and will not be applied if presented after the student has hit an SAP checkpoint.

WARNING FOR STUDENTS RECEIVING VETERANS EDUCATION BENEFITS

If a student fails to meet Satisfactory Academic Progress (SAP) at an evaluation checkpoint, they will receive a written warning notification from the Student Services department, putting them at risk of enrollment termination.

Penrose Academy may consider it reasonable to believe that the student can meet SAP at the next evaluation checkpoint and, therefore, assign a "Warning" status. Students under a "Warning" remain eligible to receive veteran's education benefits. However, at the next evaluation checkpoint, the student is expected to meet SAP. Failure to do so will result in a notification of enrollment termination.

A student who has previously received a warning notification, putting them at risk of enrollment termination, and fails to re-establish satisfactory status will face termination at the second SAP checkpoint.

PROBATION/SAP FOR STUDENTS RECEIVING VETERANS EDUCATION BENEFITS

Students failing to meet Satisfactory Academic Progress (SAP) for two consecutive checkpoints will receive a notice of failed SAP and be placed on suspension. During this period, they may not return to their program until the appeal process is completed. The student will be informed of the appeal process, as explained below.

Upon approval of the appeal, the student will be placed on "Probation" and allowed to receive veteran's education benefits if the plan for improving SAP is followed within a specified time frame. Valid medical documentation may be used to excuse absences during the probation period.

RE-ESTABLISHING SATISFACTORY ACADEMIC PROGRESS (SAP) FOR STUDENTS RECEIVING VETERAN'S EDUCATION BENEFITS

If a student has been placed on probation and is meeting the minimum requirements for both academics and attendance at the end of the probationary period by making up missed hours and failed tests, the student may re-establish Satisfactory Academic Progress and eligibility for veteran's education benefits.

SAP APPEAL PROCESS FOR STUDENTS RECEIVING VETERANS EDUCATION BENEFITS

If a student fails to meet SAP, they can appeal for reconsideration and be placed on "Probation," allowing them to resume enrollment and receive veteran's education benefits.

1. Student is placed on suspension.
2. Student files an appeal within 3 business days.
3. The Director of Student Services notifies the student of the appeal date and time.
4. The "Board of Grievances," appointed by the Director of Student Services and consisting of staff members, reviews the written appeal. They may request an in-person interview with the student. A determination is made and provided to the student in writing within 10 business days with the following outcomes:
 - If the SAP appeal is granted, the student is placed on "Probation" and provided a Corrective Action Plan (CAP). The CAP outlines specific actions and deadlines for the student to maintain eligibility for veteran's education benefits and enrollment, progressing toward successful program completion. The CAP may extend beyond one evaluation checkpoint, and the student is eligible to receive veteran education benefits while following it.
 - If the appeal is denied, the student is terminated, and if applicable, the veteran's education benefits are not reinstated, with the student being notified.
 - If the student fails to maintain the CAP by the next evaluation checkpoint, termination occurs, and if applicable, the veteran's education benefits eligibility is lost.

OVER-CONTRACT FEES FOR STUDENTS RECEIVING VETERANS EDUCATION BENEFITS

Veteran's education benefits cannot be extended to cover any over-contract fees accrued by a student exceeding the program length.

TRANSFER POLICY*

Penrose Academy does not accept the transfer of student credits or hours from other institutions. An individual who has completed hours or credits at another institution must understand that by enrolling in a similar program at Penrose Academy, they will start at zero hours and must complete all required hours to graduate from a program at Penrose Academy. Penrose Academy's programs are measured in clock hours (not credits) and may or may not be transferable to other educational institutions.

*VA beneficiaries must provide all proof of education. All prior training and credit will be evaluated, and credit will be given if deemed similar or equivalent to the classes the students need to take to earn their degree/certificate from this institution. This only applies to students utilizing VA benefits.

SECTION FIVE: DISABILITY ACCOMMODATION & GRIEVANCE POLICY

STATEMENT OF NON-DISCRIMINATION AND ACCOMMODATION

Penrose Academy does not discriminate on the basis of disability in its admissions practices or other policies. The licensing requirements and physical expectations for courses offered at the school may restrict some applicants. Questions regarding licensing requirements and the physical expectations of the industry may be answered by the President.

Penrose Academy is committed to providing accommodations for enrolled students who have documented disabilities and are entitled to a reasonable accommodation to ensure that they have full and equal access to the educational resources at Penrose Academy under Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) ("Section 504") and the Americans with Disabilities Act of 1990 (42 U.S.C. § 12182) ("ADA") and their related statutes and regulations. Section 504 prohibits discrimination on the basis of disability in any program or activity receiving federal financial assistance. The ADA prohibits a place of public accommodation from discriminating on the basis of disability. The applicable law and regulations may be examined in the office of the ADA Compliance Coordinator, who has been designated to coordinate the efforts of the Institute to comply with Section 504 and ADA.

It is the responsibility of the student to seek available assistance at Penrose Academy and to request reasonable accommodations prior to the first day of the program.

Additionally, Penrose Academy is not obligated to provide accommodations that fundamentally alter any of the school's programs. In a case where the request is unreasonable, the coordinator will promptly search for an equally effective alternative for the student that would not alter the program fundamentally and offer this accommodation to the student.

ADA Compliance Coordinator:

Andria Young, Director of Student Services
13402 N. Scottsdale Road Suite B-160, Scottsdale, AZ 85254
480.222.9540 ext. 208
andria@penrose.edu

HANDICAPPED ACCESS

Penrose Academy is readily accessible with handicapped restroom facilities for disabled individuals. While the facility is handicap accessible and the academy adheres to the American with Disabilities Act, some of the Student Salon or Student Spa services may require the ability to climb on top of a spa bed/pedicure chair to receive or give that service. Also, our programs require manual dexterity which may not be suitable for all individuals.

PHYSICAL EXPECTATIONS

Each program consists of physical expectations of each student to successfully complete a program, including:

- Commitment to professional development for long term success.
- Time spent standing, bending and taking care of guests.
- Time spent interacting with diverse types of people.
- Repetitive motions for fingers, hands, arms, etc.
- Exposure to chemicals and lasers (lightener, perms, relaxers, chemical peels, acrylic monomers/polymers, lasers, etc.).
- Physical contact from educators and fellow classmates during demonstration.

REQUESTS FOR ACCOMMODATION

Individuals with disabilities wishing to request a reasonable accommodation must contact the ADA Compliance Coordinator. A disclosure of a disability or a request for an accommodation made to a faculty or staff member, other than the ADA Compliance Coordinator, will not be treated as a request for an accommodation. However, if a student discloses a disability to faculty or staff member, he or she is required to direct the student to the ADA Compliance Coordinator.

The ADA Compliance Coordinator will provide a student or applicant with a Request for Reasonable Accommodations form. Reasonable accommodations are available for students and applicants who provide the appropriate documentation of a disability. Such documentation should specify that a student has a physical or mental impairment, how that impairment substantially limits one or more major life activities and how the disability affects the student's functions in a learning environment (academic*, attendance or both). In general, the supporting documentation must be dated less than three years from the date a student requests a reasonable accommodation (may be waived upon President's approval) and must be completed by a qualified professional in the area of the student's disability as enumerated in the following table:

| Disability | Qualified Professional |
|---------------------------------|--|
| Physical disability | MD, DO |
| Visual impairment | MD, Ophthalmologist, Optometrist |
| Mobility, orthopedic impairment | MD, DO |
| Hearing impairment | MD, Audiologist (Au.D) *audiology exam should not be more than a year old |
| Speech and language impairment | Licensed speech professional |
| Learning disability | PhD Psychologist, college learning disability specialist, other appropriate professional |
| Acquired brain impairment | MD Neurologist, Neuropsychologist |
| Psychological disability | Psychiatrist, PhD Psychologist, LMFT or LCSW |
| ADD/ADHD | Psychiatrist, PhD Psychologist, LMFT or LCSW |
| Other disabilities | MD who practices or specializes within the field of the disability |

Documentation used to evaluate the need and reasonableness of potential accommodations may include a licensed professional's current medical diagnosis and date of diagnosis, evaluation of how the student's disability affects one or more of the major life activities and recommendations, psychological and/or emotion diagnostic tests, functional effects or limitations of the disability, and/or medications and recommendations to ameliorate the effects or limitations.

Penrose Academy may request additional documentation as needed and may, at its discretion, waive the requirement for medical documentation to support accommodation requests that relate to obvious impairments and/or are minimal in nature. Requested accommodations which compromise the essential elements of the course of study, may not be reasonable. Students must seek assistance prior to the start of the course of study. Prospective students who fail to seek reasonable accommodations at the beginning of the course of study may find that the scope of available accommodations becomes limited.

After the ADA Compliance Coordinator receives the Request Form and the required documentation, he/she will engage the student or applicant in an interactive process to determine what available accommodations may be reasonable.

If the student or applicant is denied the requested accommodation, he/she may file a grievance using the Grievance Process below or he/she may file a complaint with the U.S. Department of Education's Office for Civil Rights or a similar state entity.

Penrose Academy will make appropriate arrangements to ensure that disabled persons are provided other accommodations, if needed, to participate in this grievance process. The ADA Compliance Coordinator will be responsible for such arrangements.

*Students requiring academic accommodations may not exceed 100% in attendance. Individual accommodations will be provided by the Director of Education.

STUDENT RECORDS & RIGHT OF ACCESS AND PRIVACY

The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. Penrose Academy respects the privacy and security of Personally Identifiable Information (PII) and educational records. Penrose Academy does not publish private student information; however, Section 99.37 of FERPA permits Penrose Academy to disclose, upon request, directory information (student's name, address, telephone number, date and place of birth, field of study, dates of attendance) without the student's consent unless the student has otherwise directed Penrose Academy, in writing. The school provides and permits access to student and other school records as required by the AZBCB.

Student records are maintained for a minimum of three years. Student records/files are only available to restricted staff, COE and certain government agencies may gain access to all students' files at any time.

Collection and Use of Personal and Educational Records: Penrose Academy collects information from various sources including but not limited to a student's enrollment application and forms. We also obtain information due to transactions students have with us or that we have with third parties on a student's behalf. We use that information to provide students with products and/or services students have requested from us and to comply with reporting and/or other legal requirements or mandates.

Safeguarding Records: Penrose Academy keeps student educational and financial records in secure offices and in a manner so to maintain them safely (storage cabinets, fireproof file cabinets, etc.). Penrose Academy maintains physical,

electronic and procedural safeguards that comply with the regulations and leading industry standards. A student's non-public personal information is restricted to staff/faculty members Penrose Academy has determined to have legitimate educational interests.

This includes contractors, consultants or other parties to which Penrose Academy has outsourced institutional services or functions.

Release of Information with Student Consent: Students (or parent/guardian of dependent minors) may authorize the release of information to outside/third parties if they wish. Requests must be made to the Student Services, Education, Financial Aid, Admissions or Compliance Departments in writing. This request must include the desired record, purpose of and party/class of parties to disclose the information to. Blanket releases are not permitted. Information will not be released without the student's (or parent/guardian of dependent minors) consent.

Release of Information without Student Consent: FERPA permits the disclosure of PII (Personally Identifiable Information) from students' education records, without consent of the student, if the disclosure meets certain conditions of the FERPA regulations. PII is any data that could potentially identify a specific individual. Any information that can be used to distinguish one person from another can be considered PII. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information and disclosures to the student, FERPA regulations requires Penrose Academy to record the disclosure. Eligible students have a right to inspect and review their record of disclosures. Penrose Academy may disclose PII from the education records without obtaining prior written consent of the student to:

- Accrediting bodies, the U.S. Department of Education, the Secretary of Education or State, the U.S. Attorney General and others, relating to our status as a candidate school for programs, in connection with an audit or evaluation of Federal or State supported education programs or for the enforcement of/compliance with Federal legal requirements related to those programs.
- Comply with a judicial order or lawfully issued subpoena.
- Appropriate officials in connection with a health or safety emergency.
- Parents of an eligible student if the student is a dependent for IRS tax purposes.
- A victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding.
- The general public, as a final result of a disciplinary proceeding, if Penrose Academy determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of rules or policies with respect to the allegation made against him or her.
- Parents of a student under the age of 21, if Penrose Academy determines the student committed a disciplinary violation of any Federal, State or local law or of any rule or policy of Penrose Academy that governs the use or possession of alcohol or a controlled substance.
- Determine, if necessary, the eligibility, amount of aid or enforcement of the terms and conditions relating to financial aid a student has applied for or received.
- Organizations conducting studies for or on behalf of Penrose Academy to develop, validate or administer predictive tests, administer student aid programs or improve instruction.
- Accrediting organizations to carry out their accrediting functions.

Records will be released to such agencies to fulfill the duties, directives or orders of such or to assist Penrose Academy in fulfilling its missions and objectives and will be indicated on file if such a review has been performed.

Student Rights: Penrose Academy guarantees each student (or parent/guardian of dependent minors) the right to access their records and to consent to or withhold the disclosure of Personally Identifiable Information (PII). Penrose Academy does not currently produce a student directory; however, should a directory be published in the future students will have the right to withhold PII from it. Such a request should be made in writing to the Academy President.

Students have the right to inspect and review educational records. Requests must be made in writing and will be complied to within 45 days of the request. During a review of educational records, if an item(s) is found to be inaccurate, misleading, or otherwise in violation of a student's privacy rights under FERPA, a written request may be submitted, including any supporting documentation that proves the information is incorrect, to the President to amend the information. A written response explaining the outcome of the request will be provided.

If a student feel Penrose Academy has failed to comply with the requirements of FERPA, the student has the right to file a written complaint with the U.S. Department of Education concerning the alleged failures. Written complaints should be mailed to: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202

HIPAA & FERPA: HIPAA (Health Insurance Portability and Accountability Act of 1996) is a United States legislation that provides data privacy and security provisions for safeguarding medical information. HIPAA applies to Health Care Providers, private benefit plans and health care clearinghouses. HIPAA does not apply to other types of organizations whose receipt or maintenance of health records is incidental to their normal course of business. FERPA provides safeguards of education records and does not limit what records a school may obtain, create or maintain.

Penrose Academy follows requirements for the privacy of health records (HIPAA). The Student Services and Education Departments maintain health records for students requesting services, waivers or accommodations. Receipt and maintenance of health records is well established. If a health record is used to make a decision in regard to a student's education program the health record may be construed to be an education record, in which case the normal FERPA provisions for safeguarding the record would apply.

Health and Safety Exemption Requirement: A health and safety exception permits the disclosure of PII from a student's record in

case of an immediate threat to the health or safety of students or other individuals. Penrose Academy only discloses PII from an education record to appropriate parties in connection with an emergency *if* knowledge of the information is necessary to protect the health or safety of the student or other individuals.

SECTION EIGHT: EXPECTATIONS OF STUDENTS ON OUR CAMPUS

COMMUNITY INVOLVEMENT

Penrose Academy's exclusive charity of choice is Homeless Youth Connection. Throughout the year, Penrose Academy offers opportunities for students and staff to participate in charitable and community events that directly benefit the Homeless Youth Connection. Student involvement depends on GPA, attendance and general compliance with the student catalog/student enrollment agreement.

STUDENT GUIDELINES

Through meaningful educational experiences, Penrose Academy educates, empowers and connects our students to their professional goals. To achieve that goal, it is our responsibility to maintain an environment that is safe, relevant, educational and consistent with our mission.

In addition to this obligation, Penrose Academy feels that all members of this educational environment are set up for success through the ideas, policies and information contained in this Student Catalog. By reading and signing this catalog, both Penrose Academy and the student accept responsibility for each other within our community.

Penrose Academy has established these policies to ensure the safety and well-being of this community and to respond promptly and accurately to actions that are contrary to our purpose and mission. Penrose Academy's Student Catalog seeks in its disciplinary function to impart the purpose and mission of this community.

As stated in the Enrollment Agreement, students acknowledge and agree to be bound by the terms and conditions defined in this Student Catalog. A student failing to comply with the rules and regulations set forth in this Student Catalog may face termination prior to completion of the program. Should any of these guidelines not be adhered to, the student may not benefit from the program as intended. Proper student conduct is important for the culture of the school, as it is our desire to lead everyone toward success. Penrose Academy complies with all local, state and federal laws that apply.

When a student's conduct or behavior adversely impacts Penrose Academy's community, the educational programs are jeopardized, and all are at risk. Behavior that is in violation of local, state or federal law will not be tolerated. In these cases, Penrose Academy does not provide protection from prosecution by law enforcement agencies.

Our Approach

Penrose supports creativity, curiosity, and learning. We want you to try new tools—but with honesty, transparency, and your own voice. Misusing AI can lead to confusion about your progress, and in some cases, it may affect your standing in class.

If You're Not Sure

Ask. We're happy to help you understand what's okay and what isn't. We'd rather talk it through than make assumptions later.

It is the policy of Penrose Academy to maintain a harmonious school environment. Penrose Academy encourages students to express concerns about school related issues, including communication, interpersonal conflict, and other conditions.

Students are encouraged to raise concerns with their immediate Educator, Director of Education or Student Services Department. If not resolved at this level, a student may submit in writing a formal complaint.

All students and employees, regardless of their positions, are covered by and expected to comply with this policy and are to take appropriate measures to ensure that prohibited conduct does not occur. Appropriate disciplinary action will be taken against any student or employee who violates this policy. Based on the seriousness of the offense, disciplinary action may include verbal or written reprimand, suspension, or termination of enrollment/employment.

Penrose Academy assures that all students filing a complaint can do so without fear of retaliation or reprisal.

STUDENT COMPLAINT PROCEDURE

Penrose Academy has established the following procedure for filing a complaint and will treat all aspects of the procedure confidentially to the extent reasonably possible.

1. Students should complete a student complaint form. Student complaint forms are available to students via Penrose app, or a hard copy can be obtained in the Student Services office.
2. Complaints should be submitted as soon as possible after an incident has occurred, in writing to the Student Services department or to the Director of Education. If the complaint is on either the Student Services department or the Director of Education, submit the complaint in writing, to the President.
3. The complaint will be reviewed upon receipt.
4. An investigation will be launched to determine whether there is a reasonable basis for considering that the alleged violation of this policy occurred.
5. During the investigation, the complainant, the respondent and any witnesses will be interviewed to determine whether the alleged conduct occurred.
6. Upon conclusion of an investigation, the person conducting the investigation will submit a written report of his or her findings. If it is determined that a violation of this policy has occurred, appropriate disciplinary action will be recommended. The appropriate action will depend on the following factors:
 - a) the severity, frequency and prevalence of the conduct.
 - b) prior complaints made by the complainant;
 - c) prior complaints made against the respondent; and
 - d) the quality of the evidence (e.g., firsthand knowledge, credible corroboration).

8. Once a final decision is made, either the Director of Education or the Director of Student Services will meet with the complainant and the respondent separately and notify them of the findings of the investigation. If disciplinary action is to be taken, the respondent will be informed of the nature of the discipline and how it will be executed.

SUBSTANCE ABUSE PREVENTION POLICY

Commitment to a Drug-Free Campus:

Penrose Academy is dedicated to maintaining a campus free from substance abuse. Employees and students are prohibited from consuming, possessing, selling, purchasing, or being under the influence of alcohol or illegal drugs, as defined by federal law, on any property owned or leased by Penrose Academy, including vehicles and while conducting company business. Legally prescribed and over-the-counter drugs are permitted if used as prescribed and do not impair safe performance of duties or training.

Reporting and Accommodation:

Employees should inform their department heads if prescribed medication may impair job performance or safety. Students should report similar concerns to Student Services. Reasonable accommodations will be considered to support safety and compliance.

Enforcement and Disciplinary Actions:

Penrose Academy has a zero-tolerance policy towards substance abuse. Employees and students found to be impaired by drugs or alcohol while at work or school are subject to disciplinary actions, up to and including termination of employment or enrollment. Reports of substance abuse should be made to the department head, the President, or Student Services. Immediate reporting is required if substance use poses an imminent safety threat, with failure to report also resulting in disciplinary action.

Health Risks and Legal Consequences:

Substance abuse can lead to serious health issues, including respiratory failure, heart attack, and overdose, and increases the risk of transmittable diseases. Legally obtained drugs can also impair judgment and coordination. Penrose Academy prohibits any use that affects safety and compliance, both on and off campus, and will enforce this policy up to legal prosecution under Arizona law.

Testing and Inspections:

To enforce this policy, Penrose Academy reserves the right to conduct drug and alcohol testing and to inspect property on school premises where there is reasonable suspicion of policy violation. This may include the use of drug-detection dogs.

Resources and Prevention:

This policy does not alter the at-will employment relationship between Penrose Academy and its employees. Violations may lead to criminal prosecution consistent with local, state, and federal laws.

SAFETY SANITATION AND INFECTION CONTROL (SSIC)

Penrose Academy follows a Safety Sanitation and Infection Control (SSIC) Policy to educate and enforce protocols and plans that contribute to the safety, health and welfare of the Penrose community. This policy focuses on educating students about diseases, infections and threats in the salon such as MRSA, Hepatitis B and C, HIV, AIDS, COVID-19, etc.

Additionally, the policy educates students, staff and faculty on how to prevent the spread of disease, ensure proper hygiene and follow safety and sanitation regulations while servicing the public in addition to the education covered in the daily curriculum.

The SSIC Policy is reviewed and revisited annually, more often when new threats arrive, so that students are aware and able to execute these practices on a daily basis and upon graduation.

Penrose Academy also may develop SSIC Policies that are specific to current pandemics and other threats. These policies are updated and posted to the Penrose app immediately following each update.

ACADEMIC TRANSCRIPTS

Academic transcripts are issued, both official and unofficial, by the Student Services Department. Each student will be provided one official transcript free of charge at time of graduation or withdrawal/termination if paid in full, with no outstanding issues and if requested.

ATTENDANCE

Being prompt and on time is critical to a successful career. As a result, Penrose Academy has a very high attendance standard, similar to those of nearly all industry employers including the self-employed. Students must attend a minimum of 95% of the scheduled hours within time allowed to maintain Satisfactory Academic Progress, unless the President has approved documented absences. All absences are recorded and made a part of the student's permanent record. Attendance is monitored daily and reviewed monthly. The student is responsible for class material and/or tests missed while absent. Any student with an attendance percentage below 95% may be coached by an educator and/or Student Services staff member on how to improve attendance to meet SAP. That student may be placed on a Corrective Action Plan (CAP) with specific actions and deadlines to show timely progression toward completion of the program.

If a student needs to have a period of time to be absent, he or she needs to request that time off through Student Services. All time off must be made up prior to the student's contract date or Over Contract fees will incur. Opportunities for making up hours are limited; therefore, postponing travel and absences is highly recommended. Perfect attendance is highly encouraged.

If a student cannot attend class, they must call the school, email Student Services or utilize the Penrose app to communicate prior to the scheduled start time. Students must state their name, zone and reason for missing class when reporting absences. Students are expected to return to school the following day or must communicate as stated above for each day of absence.

If a student is absent or late without having received prior approval, did not communicate with the school or did not leave a message, it will be counted as a catalog violation. All hours missed will count towards the 5% that a student is afforded to miss and still maintain a satisfactory attendance percentage. Please note that any hours missed should be made up if such opportunities become available, to avoid over contract charges.

CLOCKING IN AND OUT

Students must clock in on or before the scheduled start time of class each day by using Penrose Academy's time clock system. All students must clock in first thing in the morning, clock out/in for non-scheduled breaks and clock out at the end of each school day. Any student found to be "stealing" time, may be suspended or terminated as determined by the President.

ZONE 1 ATTENDANCE POLICY

Esthetics students missing more than **30 cumulative hours** and/or **three consecutive school days** in Zone 1, and Cosmetology Hybrid and Hair Hybrid students missing more than **35 cumulative hours** and/or **four consecutive school days** in Zone 1, are considered in violation of the **Zone 1 Attendance Policy**. All students in Zone 1 are required to complete a **test-out** to assess their technical progress. Students must pass with an **80% or higher** to continue in their program. If a student **fails the test-out**, they will be required to **repeat Zone 1**. This may result in a **mandatory Leave of Absence** and a delayed re-entry, subject to availability in a future start date. Repeating Zone 1 may also lead to **re-enrollment fees** and **over-contract charges** at the end of the revised contract date, if applicable.

LATE POLICY

Students must clock in upon entering the school and clock out when leaving each day in order to receive credit for hours accumulated. Students arriving more than five (5) minutes after their scheduled start time are not permitted to clock in and will not receive credit for that day. Students should be ready for class and taking clients at start time.

Exceptions may be made for documented incidents—such as a doctor's note or a verifiable speeding ticket—that can be confirmed by staff. In such cases, the student may be allowed to attend and receive credit despite the tardiness. All exceptions must be approved by Student Services. No other staff members are authorized to grant approval.

LEAVE OF ABSENCE (LOA)

Penrose Academy does not grant students the decision to take a Leave of Absence arbitrarily. In the case of an extreme personal hardship or medical crisis with documentation provided by a medical professional, stating that attendance would be unrealistic or impossible, or for a student serving in the military that has been called into active duty, a consideration may be made by the President. If the student does not return or contact the school on or before the scheduled return date, this will result in self-termination and Penrose Academy will document this as a withdrawal dated with the start date of the LOA.

Financial aid and any additional charges are suspended when a student is on an approved leave of absence. Students receiving Federal Financial Aid will not have any funds disbursed while on a Leave of Absence (LOA). Failure to return from an LOA will result in termination of the student's enrollment dated for the date of determination, however the student's last day of attendance (LDA) will be used for the Return to Title IV Calculation. Any refunds due will be made to the appropriate Title IV programs within 45 days of the date the student was scheduled to return. The student's subsequent failure to return from an LOA will immediately reduce the previous original grace period. All student's participating in Federal Direct Loans are responsible for the terms and agreements inherent in the Master Promissory Note.

ZONE EDUCATION

Cosmetology Hybrid, Hair Hybrid, Esthetics, and Laser programs are all organized into zones. The table below displays the number of zones by program and schedule. Once a student has successfully completed the appropriate number of hours and satisfied the requirements for all exams (both written and practical), the student will move onto the next zone which has a unique theory and clinic schedule to that zone.

Students may not receive visitors during school hours unless approved by President under special circumstances. This policy includes the student breakroom, student patio and parking lot during breaks and lunch.

WORK BASED ACTIVITIES

Students are graded on services provided in the student salon/spa by tracking them on a work-based activity log. The logs are provided at the start of every zone (except zone 1) and require a predetermined number of services, both technical and business, to complete based on a standard technical ability which increases as a student progresses throughout the program. Log are turned in and graded on the last day of every zone. Failure to turn in log will result in a recorded zero for the grade(s) and is counted towards the student's GPA.

PARKING

Penrose Academy provides a limited number of student parking spaces. Carpooling is highly encouraged. Student parking is allowed in both in the front parking lot and the back parking lot behind the building. Students must enter through the front parking lot to access the back lot parking area. Students are not to provide services at home or outside the school. Solicitation of Penrose Academy's guests to be serviced outside of Penrose Academy is against AZBCB regulations and grounds for termination. In addition, all students should become familiar with the AZBCB and ADHS rules on unlicensed work; as if at any time an unlicensed individual is suspected of performing services, they may be prohibited from becoming licensed or certified in the state of Arizona by the AZBCB or the ADHS, Bureau of Radiation Control.

DISCLOSURE & PUBLICATION OF ANNUAL SAFETY REPORT

At Penrose Academy, transparency and safety are of the utmost importance. Our Annual Security Report is compiled and disclosed to ensure that currently enrolled and prospective students and employees are informed of crime statistics and campus safety. The Report is published no later than October 1 each year and is available on the Penrose Academy website, penrose.edu, and the Penrose app.

The Campus Safety Survey Administrator (CSSA) obtains crime statistics from the Phoenix Police Department for the Penrose Academy areas. In addition, crime and fire statistics for the prior three years are disclosed in the ASR. Additionally, crime statistics are reported to the U.S. Department of Education via the online data collection portal at surveys.ope.ed.gov/campussafety.
